

The screenshot displays the Finale software interface. At the top, a musical score titled 'Pour Haldom' is visible, showing a piano part with various notes and rests. Below the score, the 'Liste des instruments' (Instrument List) window is open, showing a table of instruments and their settings. The table has columns for 'E', 'Nom de portée', 'M', 'S', 'Vol.', 'Pan', 'Instrument', 'Canal', 'Sf', 'Prog.', and 'GM'. The first instrument listed is 'Grand Piano' with a volume of 101 and a pan of 64. Below the table, there are options to 'Afficher par : Afficher par portée' (Show by: Show by staff) and 'Options : Envoyer le patch avant la lecture' (Options: Send patch before playback). The 'A R T A for finale' patch selection screen is also visible, showing a list of patches and a 'Palette pri...' (Primary palette) window with various icons.
